

REASONS FOR ALLOWANCE

Application History

1. This action is responsive to the applicant's submission of a Request for Continued Examination, submitted on 5/11/2011.
2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after an allowance. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office Action has been withdrawn pursuant to 37 CFR 1.114.
3. Applicant's amendment of 5/11/2011 has amended claims 18-26. Claims 1, 9-17, 27-32, 41, 42 and 45 were previously canceled.
4. Claims 2-8, 18-26, 33-40, 43, 44, and 46-48 are pending in the case; claims 43, 44 and 46-48 are independent claims.

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 43, 44, 46, 47 and 48, the prior art of record neither anticipates nor suggests to a person of ordinary skill, at the time the invention was made, the claimed feature of a method, computer readable media, apparatus and method for building a presentation, the method comprising: using a multimedia content application, accessing a page containing multimedia content

from a multimedia source, wherein the multimedia content includes at least one tag; automatically identifying multimedia content on the page by parsing the page using the at least one tag; displaying an identifier for the page containing the multimedia content, a window for previewing at least some of the identified multimedia content on the page, and a window for entry of user-definable notes associated with at least some of the identified multimedia content on the page; selecting by a user at least some of the multimedia content identified on the page while the page is being accessed or used by the multimedia content application; and using a presentation application, copying from the multimedia source, at least some of the multimedia content selected by the user based on the at least one tag, any user-definable notes entered by the user and associated with the at least some of the identified multimedia content on the page, and the identifier for the page containing the multimedia content into at least one presentation folder located in a memory; wherein the presentation application is configured to use information stored in the at least one presentation folder to build the presentation.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Vaughn whose telephone number is (571)

272-4131. The examiner can normally be reached Monday to Friday from 8:00 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen S. Hong can be reached at (571) 272-4124. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
